INDEPENDENT AUDITOR'S REPORT

winchester@bakertilly.ca
www.bakertilly.ca

To the Members of Russell Soccer Club

Opinion

We have audited the financial statements of Russell Soccer Club (the organization), which comprise the statement of financial position as at September 30, 2021, and the statements of changes in net assets, operations and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at September 30, 2021, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO)

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the organization in accordance with ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Independent Auditor's Report to the To the Members of Russell Soccer Club (continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. NATURE OF ORGANIZATION

Russell Soccer Club (the "organization") is a not-for-profit organization of Ontario. For Canadian income tax purposes the club qualifies as a not-for-profit organization which is exempt from income tax.

The organization operates to promote and develop the game of soccer for the benefit of the residents of the Township of Russell, while fostering fair play and sportsmanship. The general membership consists of registered players, coaches, game officials, administrators and named social members. The governing body is a board of directors elected (and appointed) from the membership.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPO).

Cash and cash equivalents

Cash includes unrestricted and restricted cash and cash equivalents. Cash equivalents are investments in guaranteed investment certificates and are valued at cost plus accrued interest. The carrying amounts approximate fair value because they have maturities at the date of purchase of less than ninety days.

Financial Instruments Policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Capital Assets

Capital assets are stated at cost or deemed cost less accumulated amortization and are amortized over their estimated useful lives on a declining balance basis at the following rates and methods:

Soccer fields 25 years straight-line method 20% declining balance method Computer 30% declining balance method

The organization regularly reviews its capital assets to eliminate obsolete items. Government grants are treated as a reduction of capital assets cost.

Capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

(continues)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Government Assistance

Government assistance for acquiring capital assets is recorded as a reduction of the cost of related assets.

Revenue Recognition

The organization recognizes revenues when they are earned, specifically when all the following conditions are met:

- (a) Revenue is recognized from registrations and sponsorships over the term of the soccer season; and
- (b) Revenue from tournaments, clinics and workshops, and maintenance services is recorded at the time the service is rendered in the normal course of business.

Contributed Services

The operations of the organization depend on both the contribution of time by volunteers and donated materials from various sources. The fair value of donated materials and services cannot be reasonably determined and are therefore not reflected in these financial statements.

Fund Accounting

Russell Soccer Club follows the deferral method of accounting for contributions.

Revenues and expenses related to program delivery and administrative activities are reported in the general fund.

The organization has established an internally restricted fund for financing future new and existing field development. Only major repairs, replacements and acquisitions are charged directly to this fund; minor repairs and replacements are charged to field maintenance expense in the general fund. Interest earned on the internally restricted funds is credited directly to the fund.

Use of Estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements. Such estimates include providing for an allowance for doubtful accounts, amortization period for capital assets, and year end accruals. Actual results could differ from these estimates.

3. FINANCIAL INSTRUMENTS

The organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the organization's risk exposure and concentrations of September 30, 2020.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The organization is exposed to credit risk from customers. In order to reduce its credit risk, the organization reviews a new customer's credit history before extending credit and conducts regular reviews of its existing customers' credit performance. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The organization has a significant number of customers which minimizes concentration of credit risk.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The organization is exposed to this risk mainly in respect of its receipt of funds from its customers and other related sources and accounts payable.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk. The organization is mainly exposed to interest rate risk.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the organization manages exposure through its normal operating and financing activities. The organization is exposed to interest rate risk primarily through its fixed rate guaranteed investment certificates.

Unless otherwise noted, it is management's opinion that the organization is not exposed to significant other price risks arising from these financial instruments.

4. GUARANTEED INVESTMENT CERTIFICATES

Guaranteed investment certificates (GICs) are held at a chartered bank. At year end there is one individual GIC that earns interest at 0.36% and matures November 17, 2021.

5.	CAPITAL ASSETS			cumulated	N	2021 let book	ı	2020 Net book
		 Cost	an	nortization		value		value
	Soccer fields	\$ 230,864	\$	92,346	\$	138,518	\$	147,753
	Equipment	45,390		27,971		17,419		11,892
	Computer	 1,156		1,116		40		57
		\$ 277,410	\$	121,433	\$	155,977	\$	159,702

6. DEFERRED INCOME

Deferred income relates to registration fees of \$1,395 (2020 - \$5,147) for upcoming summer season and deferred income for the upcoming winter season of \$10,573 (2020 - \$0).

7. COMMITMENTS

The organization has committed \$7,000 to a local school to assist in the purchase and installation of a fence around their soccer fields which will be paid for from internally restricted funds.

The organization has committed \$8,000 to a local school to assist in the upgrade of goal posts at their soccer fields which will be paid for from internally restricted funds.
